

*MALAYAN POSTAL STATIONERY
TO 1936*

Len Stanway FRPSL

Published by the Malaya Study Group, 2023.

This is the definitive work on Malayan Postal Stationery. It fills the gap from the first stationery in the time of the East India Company until the period covered by the MSG's book 'Malayan Postal Stationery 1937 – 1947'. For KGV1 collectors, an appendix to the new book provides recently-discovered additional information for the period covered by the latter book.

It is the result of many years research and Mr Stanway has been helped by many other members of the Malaya Study Group around the world.
